A MESSAGE FROM YOUR PRESIDENT

Happy January everyone and I hope you all had a wonderful trip back from Amarillo. It was an amazing conference and thank you to all of you for making it memorable. The weather was cold on a couple of days, but the rest of the week was very nice. Amarillo did not disappoint.

Looking through the surveys, it seems most agreed that the conference was a success. We did have some AV issues that were not identified during the test. However, we were aware that the hotel was having to outsource the equipment. Thank you for answering the surveys and giving us your input on future topics of interest for continuing education. We will be planning for the TAC Election Academy in April and will certainly utilize your ideas for those classes.

We plan to post the Executive Director position on February 1, 2024, so if you know of anyone interested, please ask them to be checking for that posting. We'll let everyone know where to find the posting soon. The Board is very excited about this opportunity to advance the association in this way. I would like to extend my gratitude and appreciation the speakers and vendors for their contributions to this Mid-Winter Conference.

Hoping everyone's Primary Election year is off to a great start!

A MESSAGE FROM YOUR VICE-PRESIDENT

It was so good to see everyone at the Mid-Winter Conference!
Thank you all for coming to Amarillo.

The board is in the beginning stages of hiring an Executive Director. I can speak for each of us when I say this is exciting for the association. We expect big things to come our way.

Primary season..... We are all in this together. It's busy, crazy and nerve racking. Each of us feel the same way. There will be highs and lows. Expect them and prepare the best that you can.

Stay warm, stay safe and stay well!

Conference power points (pdf) attached to the email that was with this newsletter. Please check them out if you were or were not at the Mid-Winter Conference.
